

DATABRICKS DATA + AI WORLD TOUR DALLAS

Join us for dinner after the World Tour

A small table of data and engineering leaders, talking about what's actually working in production on Databricks, from agents and Genie to Lakebase. No slides and no pitch.

WHEN

Wednesday 14 October 2026
from 7pm

WHERE

A private dining room near the Hilton Anatole, Dallas

We send the address when we confirm your seat.

HOSTED BY

TechFabric, a World Tour sponsor

SEATS

Free. Limited, and confirmed by email.
